

WINE DIVE ALLERGEN MENU

Our menu is almost 100% made from scratch. We cannot completely eliminate the risk of cross-contact or guarantee that any item is free from any allergen. Items cooked on our grill or in our fryer present a risk for cross-contamination. We have identified for you which items are grilled/fried. We can work around several allergens, please speak with a manager. Thank you!

| * Allergen can be removed or substituted | Fried in 100% Canola Oil | Grilled | Dairy | Egg | Fish | Shellfish | Mollusks | Tree Nut | Gluten |
